This will bring you to the point at which you can add your post!

The screenshot shows a forum interface for the University of Portsmouth National Railway Museum. At the top, there is a navigation bar with 'Forums', 'Members', 'My Profile', and 'Logout'. Below this is a breadcrumb trail: 'Main Category > Main Forum'. The main heading is 'Main Forum' with a link to 'Subscribe for new topics | RSS' and an 'Add topic' button. The post creation form is the central focus, with five numbered callouts: 1. A red box highlights the 'Topic Title:' input field with the placeholder text 'Enter title here'. 2. A red box highlights the large text area for the post content. 3. A red box highlights the 'Attach file:' section, which includes a 'Browse...' button and the text 'No file selected.' and 'Maximum allowed file size is 10 MB'. 4. A red box highlights the 'Subscribe to this topic.' checkbox. 5. A red box highlights the blue 'SAVE' button. To the right of the form, there are sections for 'Recent Posts' (with a link 'A brief word about what's to come'), 'Categories' (with a link 'Updates'), and 'Archives' (with a link 'December 2016').

1 – Space for the post title; a factual title may be better in terms of directing people’s attention/ helping them find topics they can help with or are interested in.

2 – Space for the post.

3 – If it helps the post, it is possible to attach files for other people to see.

4 – If you want to receive an alert when people reply to your topic, please tick this box.

5 – The ‘save’ button will add your post to the forum.

Once your topic has been posted, you should see something like the below. The icons at the foot of the post allow you and other members of the forum to respond to the post in various ways.

The screenshot shows a forum interface. At the top, there is a navigation bar with 'Forums', 'Members', 'My Profile', and 'Logout'. Below this is a breadcrumb trail: 'Main Category > Main Forum > Trial 2 - title goes...'. A red box highlights a home icon (house symbol) at the beginning of this trail. The main post area has a title 'Trial 2 - title goes here' and an 'Unsubscribe' link. Below the title is a 'Last Post' header with an RSS icon. The post content includes a profile picture of 'Mike Esbester', a 'New Member' badge, and join/post statistics. A red box highlights the action bar at the bottom of the post, which contains icons for Reply, Quote, Like, Solved, Sticky, Close, Report, Move, Edit, and Delete. On the right side, there are sections for 'Recent Posts', 'Categories', and 'Archives'.

To return to the main forum page, click the 'home' icon above the post.
